Steve,

As we have previously discussed, Defendants intend to move for summary judgment next Friday, February 20th. We currently contemplate moving for summary judgment on the grounds that plaintiff has no admissible evidence in support of any of the elements of the claim for interference with prospective business advantage pled in the First Amended Complaint. In particular, there is no admissible evidence of any intentional act on the part of the defendants designed to disrupt plaintiff's alleged relationship with Hot Topic. Of course, these arguments are subject to modification and refinement as we prepare the motion over the next week.

I understand that we are obligated to meet and confer regarding the filing of our summary judgment motion. Are you available for a call to discuss sometime between 2 and 3:30 eastern (11 and 12:30 pacific) today. I also am available largely anytime on Monday if you are unable to do it today. Please let me know. Thank you.
